Project No. 8

**+GF+** “Adding Quality to People’s Lives”

- In the very dry region of Hazarajat 50 manually operated deep wells now make drinking water available to 150,000 people living nearby
- „Because water is now available people can also take up farming activities“
- Vreni Frauenfelder, Afghanistan-Hilfe Schaffhausen
- Afghanistan-Hilfe Schaffhausen, a humanitarian aid organization, took over the local project support function in 2003
