

Ethiopia

Project No. 13

+GF+ “Adding Quality to People’s Lives”

- With the construction of three drinking water wells (deep wells) in the Tadell Harole region, 3,000 people now have fresh water
- „Clean water means better hygiene and better hygiene means better health for the people in the region“

Aid worker for Mission am Nil

-  Mission am Nil took over the local project support function in 2003
