

India (West-Bengal)

Project No. 18

+GF+ "Adding Quality to People's Lives"

- The construction of wells in 27 villages in the area surrounding Calcutta will help people take the first step towards a better quality of life and better health
- „Today the street children in Calcutta can go to school and enjoy clean water“

Mr. Singh, Project Manager

-  **Terre des hommes** took over the local project support function in 2003
